FARMER UNION TO BE FORMED

Backers of AAA at Capital Aim to Wipe Out Sectional Lines in Organization

CITE FRICTION IN OTHERS

Hear Roosevelt Say Critics of New Deal Agricultural Program Are "Lying"

By The Associated Press. WASHINGTON, May 15.—After shouting their approval of a speech in which President Roosevelt said high and mighty critics of the new deal farm program are lying, farmers gathered today to plan a new national agricultural organization.

Leaders in the move said they envisioned it as uniting forces to wipe out sectional lines. They said they have several national farm organizations but they are not in accord.

There were signs of satisfaction and much back slapping among the farmers, many of whom were wearing "New Deal" buttons. They said their demonstration in favor of the agricultural program—and against the critics who are seeking to alter it—was a success.

They cheer Roosevelt. The program drove to a climax in the afternoon when the 4,000 men stood before the south portico of the White House looking up at the President and whooped their enthusiasm as he told them the farm policies would continue.

Introduced by Secretary Wallace as the heart of America, the President lost no time in lashing at critics.

The crowd roared as he said the professional mountaineers of an old and obsolete order were the slugs of little pigs and other measures to reduce surplus agricultural inventories, deceive very few thinking people and least of all the farmers themselves.

It is high time for us to repeat on every occasion he said that we have not wastelessly destroyed food in any form.

At one point a farmer injected into the proceedings a reference to one of the administrations' bitterest foes—Gov. Talmadge of Georgia.

Few Gons Alphas. President Roosevelt was laughing that among the AAA critics were a few leading citizens who had gone astray.

We have one down our way, South Georgia. I was about to say from ignorance, the President resumed. Later in Atlanta Gov. Talmadge.

Former Buyer Charged With Obtaining Funds Falsely in Hay Deals

MISSING TWO MONTHS

Gives Up Voluntarily and Provides \$1,000 Bond on Indictment

By The Associated Press. COLUMBUS, O., May 15.—John Lee, former buyer of hay for the state, was indicted today on charges of obtaining funds falsely in hay deals.

The indictment was the only one returned in the county grand jury's 123rd session, charges by a grand jury of Columbus. Hay L. Hopkins, who obtained funds for the state, was indicted on charges of obtaining funds falsely in hay deals.

Lee also was indicted on charges of forgery and of having an interest in a public contract. The indictment was based on an affidavit he gave federal investigators in which he told of purchasing 1,100 tons of hay for the state from Earl Pyle of Chillicothe. The indictment also charged that Lee had obtained funds for the state from Pyle.

Prosecutor Donald T. Hoskins, who obtained the indictment, said Lee had been indicted on charges of forgery and of having an interest in a public contract. The indictment was based on an affidavit he gave federal investigators in which he told of purchasing 1,100 tons of hay for the state from Earl Pyle of Chillicothe. The indictment also charged that Lee had obtained funds for the state from Pyle.

Common Pleas Judge C. J. Ryan will set Lee's arraignment for 9 a. m. tomorrow.

Large Decrease Noted With Time Limit on Applications Due Tonight

With the deadline tonight for filing applications for farm crop loans at the office of S. L. Anderson, county farm agent, his records showed eight loans amounting to \$325 have been applied for this far.

This number and volume is a sharp decrease from last year's applications, which numbered 11 and amounted to \$120. This in turn was decidedly lower than the 1935 figures when 18 loans totaling \$290 were made.

Mr. Anderson attributed the steady decrease in applications for farm crop loans to less money in circulation among farmers (2) institutions, such as the Marion Production Credit association are providing credit for farm operations and (3) banks are making more loans for farm purposes than in recent previous years.

Crop loans can be applied for in amounts ranging from \$5 to \$500 to finance crop production. These are secured by liens on the crops to be raised. The interest rate is five and one-half per cent and the loans are payable on Oct. 1.

NUMBER OF CIGARET DEALERS INCREASING

Boost Attributed to Opening of Places Selling Liquor

Total Now 160

An increase of 20 in the number of cigarette dealers in Marion county is reported with a year ago help to be due largely to the opening up of cafes and other places licensed in 1934.

One hundred and six dealers are now licensed to sell cigarettes, and all of them are still taking in terms of dime chain letters, but at once came in on old amounts ranging from 25 cents to \$5 and in one or two extreme instances there was talk of starting a \$10 circuit in the get-rich-quick contagion that has swept the county.

Legitimate minds already, he figured out a way to get around postoffice rulings that mailing chain letters is a violation of postal laws.

The scheme is to spread the letters from hand to hand and mail only the money that must be kept in circulation to keep the chain unbroken. So far there have been no rulings prohibiting the sending of money through the mail at the expense of the sender.

The most popular artist of the hand-to-hand letter works like the person mailing one of the letters, personally, solicits the acquaintance and furnishes the chain unbroken a copy of the letter.

Golfers To See Stars in Action Here Tomorrow

Old Dutra and Jimmie Thompson Will Play Country Club Course

One of the largest galleries to watch a public golfing exhibition in Marion is expected tomorrow afternoon at the Marion County club when Old Dutra and Jimmie Thompson appear here for an 18-hole exhibition match.

Dutra, 1934 National Open winner, will make his only central Ohio exhibition Thursday here with Thompson, Australian Open winner last winter. Marty Kay, another pro at the Marion County club and Bob Owens one of Marion's leading amateur links men, A one-hour lecture on the varieties of shots which win national titles.

Starting at 1:30 o'clock will precede touring of the course.

The U. S. O. P. winner of the leading professional golfers of the country is expected to arrive in Marion tomorrow. Rainfall this week has aided in giving the course the finest carpet of green in recent years. Handicaps are posted this morning. Mowing and conditioning will be completed today.

Golfing enthusiasts from Golden Bicycles, Kenton, Lima, Bellefontaine, Upper Sandusky, Urbana, Marysville, Delaware, Mansfield, Shelby and Crestline have been invited through their local clubs to attend the exhibition. Tickets for the complete afternoon program will be on sale at the course. Mr. Allen said all golfing fans are invited to the exhibition.

Dutra, exempt from the quality rounds for the tourney, is using the hand-spring method of warming up for the last two months over the difficult Oakmont course. Thompson's companion for a part of the tour experienced difficulty in the qualifying round Monday at the Pittsburgh district event. The young Long Beach, Calif. pro required 120 strokes to complete the course over which he fought nine strokes behind the leader.

MARION IS HARD HIT BY EPIDEMIC OF "CHAINITIS"

Dime Letter Variations Grow as Writers Devise Way to Avoid Postal Law Violation

Marion today appeared to be in the midst of an epidemic of chainitis.

These dimly afflicted were still talking in terms of dime chain letters, but at once came in on old amounts ranging from 25 cents to \$5 and in one or two extreme instances there was talk of starting a \$10 circuit in the get-rich-quick contagion that has swept the county.

The victory was the Pirates' sixth in 11 games in the East and left them a game and a half behind the fourth place St. Louis Cardinals.

This was the only National League game that escaped the weather men's persistent jinx and only two American League games could be played.

Cutting good the Detroit Tigers made it two in a row from the New York Yankees 10 to 4 and climbed to within a single game of the Yankees and Washington Senators tied for fourth position.

Three hit pitching from Mel Harder and beat the Senators 4 to 2. Hal Trosky's fifth home run with two on in the sixth was the blow that wrecked the Senators and Earl Whitehill. The victory put the Indians within a game of the Chicago White Sox.

By The Associated Press. NEW YORK, May 15.—Six Brews, 30-year-old South African golfer, professional here to bring a challenge to Clint Druce in the National Open championship next month calls himself a rainbow chaser.

It was a coincidence that the departure of Babe Ruth has been followed by an abrupt decline in the batting power of the Yankee machine. The Babe himself is hitting .111 but that's no reason for Joe McCarthy's more youthful and agile crew to take the slug king logarithm at the same time.

The Yankees not only are at the bottom of the league but so far not one of the regulars has clubbed his way into the 300 club. Lou Gehrig, now hitting around 20 tops the list.

The other regulars are all far down and Captain Lou Gehrig, who was last year's league batting king with a mark of .353 but only a pale .253 to show for his efforts so far though he collected three hits yesterday.

It may be the weather or that the boys are pressing a bit. Certainly hitters like Gehrig, Bill Dickey, Ben Chapman and Earl Lombardi, all with lifetime marks of 310 to 345, figure to do much better as the season develops.

But the Yankee pitching staff already feeling the strain can't continue to keep the club in a contending position without quick and substantial assistance from the hitters.

It used to be bulletin news when the Yankees were shut out. They went more than two years of no stretch without being covered with white wash but they have been blanked three times so far this spring.

Luffy Gomez has been the victim of two shutouts losing 10 to 0 and 11 to 0. In the season's opener and dropping a 3-1 decision to Schoolboy Rowe at Detroit this week The Castilian can appreciate how Fred's Fitzsimmons of the Glants felt after his team failed to get a run in four games last year.

When war might break out it is not given to anyone to foresee. But it is evident that it will come almost without warning that is after only a few days of political tension.
